

CUBS

Entering Pre-K and Kindergarten in September
At Black Bear Lake we give special attention to our littlest campers!

- *Cubs are in small groups of approximately 8 campers with 3 experienced staff members
- * Boys and girls are in separate groups by grade and remain with their group and counselors for the entire day
- * Cubs have Instructional Swim and Fun Free Swim every day in a heated pool
- * Cubs are assigned their weekly electives by our Cub Supervisor - they receive one Sport, one Fine Art, one Outdoor Adventure, and one Performing Arts every week, and cycle through the entire Camp Elective Program
- *Cubs are assigned many of our "big kid" electives with our Professional Specialists, but with an age-appropriate program - for example, they go horseback riding - but stay in the corral and are escorted by our horseback riding staff at all times
- *Cubs get to choose a daily Group Choice like Playground, Moon Bounce, or Sandbox
- *In addition to lunch in the air-conditioned Dining Hall, Cubs also have a daily snack and rest time in the afternoon
