

ATTENTION CUB PARENTS

For Informational Purposes

Entering Pre-K and Kindergarten
in September

CAMPER'S NAME: _____

Cubs are given a preset schedule designed by the Directors each week, based on our incredible selection of electives. In addition to daily Swim Instruction and Free Swim periods, we will make sure they always have a wide variety of activities, including one Sport, one Fine Art, one Outdoor Adventure and one Performing Arts.

When creating the Cub Schedule, we receive input from the children directly, their Group Leaders, their Division Leader and you, their parents. We also consider the predicted weather for the upcoming week - if it is going to be a very hot week, we will try to schedule more indoor activities in the air conditioning.

At this time, we would like to get input about your child - please check 10 activities that you would like your child to take at some point during the summer. Every Monday we will send your child home with a note listing their activities so you are "in the loop." And as always, please call us if you have any questions.
