Dear Parents,

It was wonderful having your child at camp this summer! We hope your family had a great experience with Black Bear Lake. We are often asked for guidance about tipping staff at the end of your child's session. We suggest the following:

Four or Five Week Session		Six, Seven, or Eight Week Session	
Group Leader	\$30	Group Leader	\$60
Counselors	\$15 each	Counselors	\$30 each
Bus Driver	\$10	Bus Driver	\$20
Bus Counselors	\$5 each	Bus Counselors	\$10 each
Swim Instructor	\$5	Swim Instructor	\$10

Please remember that tipping is voluntary. The question arises because this is a personal service business. You may either send tips in with your camper (we recommend sending it in an envelope and giving it to your child's bus counselor) or regular mail. Please do not send cash in with your camper!

FYI- For your convenience, the names of all our summer staff are available online at www.blackbearlake.com, click Current Families, Tip Info.

Have a wonderful school year!

Yours in Camping,

Ian
